

Certificate of Entrepreneurial Equivalence

To whom it may concern,

This letter serves to certify that Mr. Benhamamouch Othman, founder of the startup SSCI - Smart Sustainable Cold Innovations, possesses an entrepreneurial profile equivalent to that of a startup founder based in Silicon Valley.

This equivalence is based on the following criteria:

- Technological innovation: the creation of a smart, sustainable, and connected solution for the cold chain, integrating IoT, AI, and renewable energy.
- International vision: targeting a global market with high impact, with ambitions to expand across Europe, Africa, and beyond.
- Strategic approach: academic background in management (Master's level) and professional experience in auditing within a major group, ensuring rigor and professionalism.
- International recognition: participation in prestigious programs such as Techstars MENA and 500 Global MENA, both linked to the Silicon Valley ecosystem.
- Pitch and leadership skills: clear and structured presentation that aligns with international innovation standards.

As a result, Mr. Benhamamouch Othman can be considered a global-level tech entrepreneur, capable of thriving in the most competitive innovation ecosystems, such as Silicon Valley.

Issued to serve and assert as necessary.
